

HAMID IQBAL

FRONTEND WEB & SOFTWARE DEVELOPER

Vehari,Punjab,Pakistan | hamid313500@gmail.com | +92 321 9326163

ABOUT

I am a passionate Frontend Developer with over 2 years of hands-on experience in building responsive, user-friendly, and visually engaging web applications. My expertise lies in transforming design concepts into high-quality, functional interfaces using modern web technologies such as HTML, CSS, JavaScript, and popular frameworks like React.

PROFESSIONAL EXPERIENCE

Frontend Development Employee/CodeCrafte **June 2025 - Present**

- I began my professional journey with a 14-month experience at Techlape Institute, Streamlined manufacturing processes, reducing production costs by 10%.
- where I developed a strong foundation in frontend development.
- During this time, I worked on practical projects, strengthened my problem-solving skills, and gained hands-on experience

Internship Techlape **June 2024 - Aug 2024**

• Built responsive web pages using HTML, CSS, and JavaScript
• Practiced UI/UX principles and modern design techniques
• Worked on real-world projects and improved problem-solving skills
